INSTITUTION INDUSTRY CELL

To strengthen industry-institute interaction and foster collaboration with industry for mutual benefits, an **Institution-Industry Cell (IIC)** is constituted at ALWARDAS POLYTECHNIC. The Institution Industry Cell was constituted under the coordinator ship of Mr. U.GOPI, with the following members as the members of the committee.

The Members of the Committee

S NO	Name Of The Staff	Designation
1	Mr.U.GOPI	Chairman
2	Mr. K.T.Krishna Kumar	Industry Member
3	Mrs. S.Bharathi	Member
4	Miss. K Lavanya	Member
5	Mrs.K.Janaki	Member
6	Mr. G. Vinay Rajkumar	Member
7	Mrs. S.Manasa	Member

Objectives of the Cell:

1. To bridge the gap between industry expectations and academic offerings.
2. To provide industry exposure to students and faculty through training programs, internships, and industrial visits.
3. To promote collaborative research and consultancy projects with industry partners.
4. To identify and address the skill development needs of students to enhance employability.
5. To facilitate Memoranda of Understanding (MoUs) with industries for knowledge sharing and resource exchange.

Functions of the Cell:

- To develop close links between Industry-Institute by interaction programs.
- To sign MoU's with leading organizations and reputed companies.
- To identify the present and future requirements for professionals (engineers/ technologists/ managers) and meeting the human resource needs of the industry.
- To organize seminars, symposia, exhibitions and workshops.
- To collaborate with other societies (National and International) having similar objectives.
- To promote and develop Industry research in all Departments and development organizations.

Roles and Responsibilities:

1. Organize industrial visits, internships, and guest lectures by industry experts.
2. Facilitate student and faculty participation in workshops, training programs, and certification courses offered by industry.
